LORNA G. SCHOFIELD, District Judge:

WHEREAS, the initial pretrial conference in this matter is scheduled for October 26, 2022;

WHEREAS, in the parties' joint letter, Defendant requested a stay of discovery pending Plaintiff's anticipated amendment of the Complaint and Defendant's anticipated motion to dismiss;

WHEREAS, no other significant issues were raised in the parties' joint letter or proposed case management plan. It is hereby

**ORDERED** that Defendant's request for a stay of discovery is **denied**.

**ORDERED** that the October 26, 2022, initial pretrial conference is **cancelled**. If the parties believe that a conference would nevertheless be useful, they should inform the court immediately so the conference can be reinstated. The case management plan and scheduling order will issue in a separate order. The parties' attention is particularly directed to the provisions for periodic status letters, and the need for a pre-motion letter to avoid cancellation of the final conference and setting of a trial date. It is further

**ORDERED**, regarding settlement discussions, if and when the parties are ready to proceed with a settlement conference with the assigned Magistrate Judge or mediation in the Court's mediation program, they shall file a joint letter on ECF requesting a referral.

The parties should be aware that the Court does not extend the deadlines for fact and expert discovery absent compelling circumstances.
